Thomas H. Montgomery, Esq.,

My Dear Sir:-

In reply to yours of this A. M., I would say that the only clue that would point this gentleman's complaint to anything that we know of is "In my early boyhood the Camac family could not, and did not, use it without the permission of my mother given through my father".

On April 10th., 1891 we buried Mrs. Ellen McIlvaine Camac in, if my recollection serves me correctly, a vault very close to the Franklin grave. In whose vault it was placed I do not know as the Camac family made the arrangements with, I presume, the sexton for the opening and closing of the vault, as in our itemized bill book the charges for Christ Church and Sexton's charges are left blank. This is all I know in regard to the matter and even this may not have reference to the vault in which Mr. Brooke is interested.

Might I take this opportunity to suggest that the opening of vaults or graves in Christ Church Yard and the placing of remains therein is attained with but very little difficulty.

Might it not be well, in order to prevent the use of

vaults and graves by persons not having the proper legal right, to require the written permission from the person or persons in whom the legal right vests.?

I return herewith the letter of Mr. Brooke.

Very truly yours,
